

„DIDAKTIČKA SLIKOVNICA” - KOLEKCIJA DIDAKTIČKIH UČILICA

MG

UČENIČKA ZADRUGA
„TO JE TO”!
OŠ MATIJE GUPCA,
ZAGREB

Naš proizvod se zove DIDAKTIČKA SLIKOVNICA.

DIDAKTIČKA SLIKOVNICA je šivana meka knjiga, odnosno slikovnica namijenjena djeci predškolskog uzrasta, djeci s teškoćama u razvoju (autizam, ADHD) i starijim osobama koje imaju teškoća s pamćenjem i motorikom (oboljelima od Alzheimerove bolesti).

Didaktička slikovnica se sastoji od više stranica s različitim edukativnim sadržajima i aktivnostima koje potiču samostalnost u radu, razvoj fine motorike, logičko zaključivanje i kreativno mišljenje.

U slikovnici možete naći raznovrsne igre prepoznavanja boja i oblika, memorije, spajanja dijelova u cjelinu, nizanja, slaganja i razlikovanja prema odgovarajućem obliku, boji ili veličini, vezanja, kopčanja gumbi, provlačenja vrpce, preplitanja trakama i pletenja vunom, računanja, povlačenja zatvarača, umetanja oblika i sl.

Osim vizualnog i auditivnog, poseban je naglasak na poticanju taktilnog osjeta i doživljaja.

Stranice didaktičke slikovnice izrađene su od debljeg filca na koje su prišiveni različiti (recikrirani) materijali: filc, pamučne i druge tkanine, gumbi, spajalice, vrpce, vuna, kopče, čičak-traka, perlice, ukosnice, gumice, vezice, ukrasne vrpce, zatvarači, alke...

Namjera nam je napraviti kolekciju različitih didaktičkih učilica u obliku lopte, kocke, jastuka, pokrivača i sl., koje ćemo donirati dječjim vrtićima, Centru za autizam, Klinici za dječje bolesti Zagreb - "Klaićeva" i Domu za starije i nemoćne Trešnjevka.

Vrsta materijala: pamučne tkanine, filc, saten, vuna, umjetno krzno, halogeno platno, pamučne vezice, plastični gumbi, perle, čičak traka i zatvarači, gumice, metalne spajalice, kopče, zakovice i ukosnice.

Održavanje: ručno pranje

Izradili učenici UZ "To je to!" OŠ Matije Gupca, Zagreb

Godina proizvodnje: 2020.

Cijena: 200,00 kn

Interesting Insights

Use paragraphs often. A wall of white text makes it hard for the reader to skim a story and find a way to quickly drop in and out of your content. White space gives the user an opening into your information. Don't be afraid to leave spaces open.

How it began

Use conversational text when you can. Write to your reader as if you were having a conversation with him or her over a meal.

- Use bullets to itemize lists
- Start each bullet with an action word

Keep your words simple. Don't use a longer word than you need to. For example, in most cases "use" is a better choice than "utilize."

The most important information is included here on the inside panels. Use these panels to introduce your organization and describe specific products.

Client Case Study

The most important information is included here on the inside panels. Use these panels to introduce your organization and describe specific products cases "use" is a better choice than "utilize."

Subordinate headline here

The most important information is included here on the inside panels

"We recommend Fabrikam to anyone who will listen to us. They anticipated needs and solved potential stressors."

A wall of white text makes it hard for the reader to skim a story and find a way to quickly drop in and out of your content.

Don't use up space saying things the reader already knows. Focus on information that's original or new.

Use conversational text when you can. Write to your reader as if you were having a conversation with him or her over a meal.
