

# Ornaments of the peoples of Russia

1. Wood painting is an integral part of Russian culture.

- Artistic painting on wood "Khokhloma" is the most popular in our country and among tourists traveling in Russia.

- It appeared in the village of Khokhloma, Nizhny Novgorod region in the 17th century.

- The main colors used in the painting are black, red, gold.

• Products for painting are dishes and furniture made of wood.

- There is also a Gorodetsky painting in Russia. It appeared in the city of Gorodets in the 20th century.

**Thanks for attention.**
